The content provided on this platform is intended solely for informational purposes. While every effort is made to ensure accuracy, we cannot guarantee the completeness or correctness of the information presented. Users are responsible for verifying the accuracy and applicability of any data or advice before relying on it.

The race planning tools, setup logs, strategic calculators, and other features provided are developed to assist racing teams in their preparation and operations. However, their effectiveness and accuracy depend on correct input and interpretation. The platform owner does not assume responsibility for any strategic missteps, technical issues, or race outcomes resulting from the use of these tools.

Any losses, damages, or unexpected results—whether direct or indirect—incurred through the use of the platform are the sole responsibility of the user. We encourage teams to always make their own evaluations and consult qualified experts where necessary.

All information (including prices, availability, and technical data) is subject to change without prior notice. The platform owner is not liable for outdated or incorrect content, nor for downtime or limited access due to technical issues.

By using this website and platform, you agree to this disclaimer. If you do not accept the conditions set forth in this disclaimer, we recommend refraining from using the services.
